

Your breeder wants the best for your puppy. That is why extra time and care were taken to permanently identify your pet with an AKC Reunite microchip. It is extremely important that you stop and take a few moments to enroll your new pet's microchip under your name. Enroll NOW by going to [www.akcreunite.org](http://www.akcreunite.org).

Enrolling your pet with AKC Reunite helps to ensure our 24/7/365 PET Line will help reunite you with your lost dog. AKC Reunite also provides you peace of mind with no annual renewal fees or hidden record update charges for changes to your contact information for as long as you own your pet!

So, please be sure you take the time to enroll your new puppy's microchip. If you have additional questions, please go to [www.akcreunite.org](http://www.akcreunite.org). We wish you the happiest of times with your new puppy!!

**NOT ENROLLING YOUR DOG'S MICROCHIP IS  
LIKE PUTTING A BLANK COLLAR TAG ON YOUR PET.**
